

NJMR NORDIC JOURNAL OF MIGRATION RESEARCH

Call for Book Reviews Editors for the *Nordic Journal of Migration Research* (NJMR)

The *Nordic Journal of Migration Research* (NJMR) is a scholarly, open access journal published by Nordic Migration Research (NMR) in collaboration with Helsinki University Press (HUP) 4 times a year. NJMR aims to promote and advance the circulation of the multidisciplinary study of international migration and ethnic relations that is conducted in the Nordic countries. The language of the journal is English. The journal publishes high quality articles and book reviews at <https://journal-njmr.org/>

We are looking for book review editors to join our book review team starting in November 2023. As a book review editor and member of the editorial team, you will work independently with other book review editors. The work includes contacting publishers to order review copies, looking for book reviewers through open calls 1-2 times a year, completing editorial work such as reading book reviews and giving feedback to reviewers, and sending book reviews to the Responsible Book Review Editor. You will work to provide approximately 4 reviews per year. Working as a book review editor will require ability to work independently, good knowledge of scientific writing, social and communication skills, as well as good English language skills.

We are looking for people who can commit themselves for a minimum period of two years. Unfortunately, we are not able to pay for the job, but working as a book review editor is an excellent way to acquire editorial competence and experience in academic writing, keep up-to-date on the state of the art in migration research, and create networks with other researchers in the field. Book review editors will be invited to (online) editorial meetings and to the editorial meeting organized during the NMR conferences.

If you are interested in this position, please send a short motivation letter of max. 1 page and your CV (including list of publications) to both the Editor-in-Chiefs Dalia Abdelhady (dalia.abdelhady@soc.lu.se) and Nahikari Irastorza (nahikari.irastorza@mau.se) and to the Responsible Book Review Editor Alyssa Marie Kvalvaag (alyssa.m.kvalvaag@nord.no) by the end of October 2023.

For more information, please contact Alyssa Marie Kvalvaag (alyssa.m.kvalvaag@nord.no).
